Parshas Sh'lach

Vol. 24, No. 36

Shul Notes

- Shabbos Mevorchim Karlebach Kabbalas Shabbos minyan, led by Nachman Bergman (resident NY simcha singer), will meet this week at 7:05 in the G. Leonard Rubin Bais Medrash.
- Shraga Goldenersh will be giving the 9:00 AM Drasha.
- Shraga Goldenersh will be giving the Shabbos afternoon shiur at 7:00. Topic: Kavannah in Tefillah Part II.
- Shul statements were mailed out. Many people have already sent in payments and/or arranged for automatic credit card charges. We are working to ensure all the information is accurate. Please call the office if you have any questions or if you have not received your invoice. Thank you.
- Do you have a computer to donate to Shomrei?

The office is in need of a new computer. Please see the requirements below. Please call the shul office with questions or to donate - 410-358-8604, ext. 2.

- Hardware Requirements: Pentium 4 with HyperThreading (HT), Minimum 2.8 GHz, 1 GB RAM
- Most computers that are 3 years old or newer should satisfy the speed and HyperThreading requirement. The easiest way to check if your processor is a Hyper Threading processor is to press Ctrl-Alt-Del, when that comes up, click on the "Performance" tab. If you see two windows in the CPU Usage History area then you have Hyper Threading, if you see one window, you do not.

Rabbinic Search Process Update

Rabbi Binyamin Marwick will be making his presentations as a candidate in our search process next week, Shabbos Parshas Korach, June 12. Please watch for details on his shiurim and presentations throughout that day. There will also be a chance for members to meet with Rabbi Marwick and learn about his vision for Shomrei Emunah. We encourage you to participate in as many of these opportunities as possible.

From Avi Rosenberg and Alan Taragin – Tefillah committee:

We ask for your assistance as we work to increase your experience at the 9am Shabbos morning minyan. We are working to keep the noise level down in the gallery during davening. That is why we have posted signs and implemented a rotation of volunteers that will be in the gallery during the Rabbi's speech and Presidents announcement. Please do your part and obey the new signs and the volunteers who will pleasantly remind you if you accidentally find yourself talking in the gallery. If you would like to volunteer in this new endeavor, (men and women welcome), please contact Alan Taragin at altcpa@comcast.net.
