## A TOUCH OF CHIZUK

STORIES OF STRENGTH THAT  
LIFT, BUILD AND ENCOURAGE

Rooted in the word “strong,” to “get chizuk” is to get an indescribable combination of inspiration, strength, encouragement, and comfort. Chizuk lights the road when we’re traveling in darkness, gives a gentle push when we’re mired in doubts or sadness.

Through his beloved and bestselling collections of true stories, **Rabbi Yechiel Spero** has “given chizuk” to tens of thousands of devoted readers. *Our Torah leaders – “Up close and personal”*

## Inside Their Homes

**A young man’s warm and personal encounters  
with the world of Torah greatness**

Some of the names we know well: Rav Chaim Kanievsky *shlita*. Rav Mordechai Gifter *zt'l*. Rav Rafael Levin *zt'l*. Rav Asher Arieli *shlita*. Others are known only in their own sacred circles: Rav Yitzchok Nosson Kupershtok *zt'l* and Rav Zundel Kroiser *zt'l*. We have heard of their legendary diligence, their holy ways, their intense love for Klal Yisrael. But do we know them “up close and personal”?

Reb Binyomin does. For decades he has built close relationship with Torah greats. Now bestselling author Rabbi Nachman Seltzer tells Reb Binyomin’s story — and the story of more than a dozen Torah sages, seen through the eyes of one who got to know them intimately.

## Living Emunah

**Achieving a life of serenity through faith**

by **Rabbi David Ashear**

Think about living a life of no stress. No anxiety. No fear. Is it an impossible dream or can it be achieved? Our Sages' clear answer to these life-transforming questions is: Yes. What it takes is *emunah*, faith. Faith in Hashem and His goodness, belief that He cares for you, and is completely involved in your life. If you believe that totally — you're on the path to *emunah*, the road that leads to real happiness.

**Living Emunah** is based on **Rabbi David Ashear's** "Daily Emunah" talks, which have transformed the lives of thousands of people. Through the lens of Torah thought as well as true-life stories we discover what *emunah* is and what it isn't, and how to bring it into our lives.

When **RABBI YISSOCHER FRAND** speaks, people listen — because what he says is what we need to hear.

## We're All in This Together

Thousands — and sometimes tens of thousands — flock to hear **Rabbi Yissocher Frand's** speeches. His combination of humor, spot-on stories that illustrate his points, and, especially, his creative, out-of-the-box solutions to today's challenges have made him one of the Jewish world's most popular and beloved speakers.

**We're All in This Together** takes Rabbi Frand's inimitable voice and turns it into readable, engaging and wise essays. Whether he is filling out a "report card" on Jewish life today (and finding solutions to some of the failing grades!), giving advice on how to keep our children happy with a Torah lifestyle, or figuring out how to deal with the increasing narcissism of a world that's obsessed with "I" and not "you" — here is Rabbi Frand at his eloquent best.
