ANSWERS

Since no one ascertained the answers to last month's triple Brain Strain, we'll have to eat the Shabbos Specials all by ourselves!

Q1. How many Parshiyos DON'T begin with a ν (vav)? No peeking! Hint: Bereishis is one of them!

Q2. Use all 4 of the following numbers and 3 of the 4 mathematical operators to equal 26.

2 3 4 5 + - ÷ x

Q3. How is it לרץ that 6 batters get hits in one inning of a complete baseball game (4 for extra bases!), yet not one of them scores a run?

hits, no runs in. (Baseball, ביי ביי דר. מ. רייסער, מ"י)

is credited with a hit (look it up). Voila! 6 batters, 6 automatically out the inning is over, but the batter hits a line drive which hits a runner. The runner advances (five hits, 3 men on). The next batter 2 men on). Next man infield singles, but no one the first of which only reaches third (so far 4 hits, but no men on). The next 2 batters gets doubles, each is picked off base (yielding 2 hits,

A3. The first 2 batters get triples, but

A2. $3 \square + 2 \square + 5 \square + 4 \square = 26$
