FREQUENTLY ASKED QUESTIONS

What is the advantage of The Royal Gift Card over other gift cards?

The Royal Gift Card is an attractive gift card available for purchase by individuals, schools, and organizations. In place of a gift certificate to a specific store, this gift card can be issued as a gift with a wide variety of stores at which it can be used. The Royal Gift Card solves the long standing gift dilemma of "Where to purchase a gift certificate." It makes for a perfect gift that its recipients can use and enjoy at the store of their choice.

How can I purchase a Royal Gift Card?

Royal Gift Cards are available for pickup by calling 410.358.8873.

Can I have a Royal Gift Card mailed straight to the recipient with my personal message attached?

Absolutely!

Is there a mailing fee for having the gift card mailed directly to the recipient?

No.

What are the available denominations?

Royal Gift Cards are available in all denominations.

Are there any fees when purchasing a Royal Gift Card?

No. The amount on the gift card is the amount that you pay.

Is there an expiration date on the card, and if yes, what is it?

Yes. The Royal Gift Card is active through the twelfth month from the date of purchase. For example, if the gift card is purchased in May 2009, the expiry will read: May 2010.

Will I need to spend time and money wrapping the gift card once I've purchased it?

No! We take care of the presentation for you - free of charge! Royal Gift Cards (\$18 and above) come elegantly packaged for your convenience in stylish gift bags complete with two-toned tissue paper!!

I received a Royal Gift Card but there is no vendor list included. Can I get another one?

First of all, be aware that a Royal Gift Card is never sold without a vendor list. Each time a customer calls saying that they never received a list, it turns out that the person who gave them the gift card actually received the card themselves as a gift and just passed it on, losing the vendor list in the process.

That being said, vendor lists are available in two ways:

- 1) Call 410.358.8873 or
- 2) email theroyalgiftcard@kewnet.com and we will be glad to email or fax you a copy.

I have a \$20 gift card. Can I spend half of it at one vendor and half at another?

No. Once you use your gift card at a particular vendor, the gift card stays with that vendor. If you do not spend the full amount the first time, you will be given a credit to that store for the remaining balance of the gift card.

What happens if I don't spend the full amount of my gift card at the location that I chose?

If you do not spend the full amount of your gift card, you will be given a credit to that vendor for the remaining balance of the gift card.

Can several Royal Gift Cards be combined at one location?

Yes.

I understand that even though The Royal Gift Card can only be spent at one location, it is still unique among gift cards in that the recipient of my gift gets to choose that location from a list of over 40 vendors. However, the gift card would be so much more valuable if the recipient could choose to spend his/her gift in several of the locations on the list instead of just one, wouldn't it?

You are right! That is why all Gift Cards purchased in amounts \$36 or higher are split up into several cards. For example, a \$100 gift card will be sold as four \$25 gift cards or five \$20 gift cards depending on the customer's preference. This way, the recipient has the choice of spending his/her cards at four or five different vendors or combining them all at one location. (Gift Cards under \$36 may also be split, however, most customers prefer not to.)

I received a Royal Gift Card as a gift. Can I give it to someone else as a gift?

No. Royal Gift Cards are non-transferable.
