

Shomrei Emunah Weekly Bulletin

Message From the President

I would like to thank all those individuals, without naming everyone (you know who you are) for making our 38th annual dinner the amazing success that it was. The evening was one that was filled with achdus and excitement as our shul moves from the building completion phase to the future growth of our shul. I thank all those who have come over to me asking to volunteer their time for the shul as well as to all those who have volunteered their time in the past. Please continue to come see me and feel free to email or discuss ideas that excite you. Let's keep working together in a unified fashion as we embark on many new and exciting projects.

Have a meaningful Shabbos! *Jonny*

Rabbinic Search Process Update

Rabbi Binyamin Marwick will be making his presentations as a candidate in our search process this Shabbos. Details of his shiurim and presentations are posted on flyers and on the Shul website. We encourage you to participate in as many of these opportunities as possible!

From Avi Rosenberg and Alan Taragin – Tefillah committee:

We ask for your assistance as we work to increase your experience at the 9am Shabbos morning minyan. We are working to keep the noise level down in the gallery during davening. That is why we have posted signs and implemented a rotation of volunteers that will be in the gallery during the Rabbi's speech and Presidents announcement. Please do your part and obey the new signs and the volunteers who will pleasantly remind you if you accidentally find yourself talking in the gallery. If you would like to volunteer in this new endeavor, (men and women welcome), please contact Alan Taragin at altcpa@comcast.net.

The First Book Club discussion group will be held on Monday, June 21. Details to be announced. If you are interested in joining the Book Club please contact Jonny at presjon@shomreiemunah.org.
