Israeli Government to Continue its 3 for 1 Matching Program for Job Katif during 2011:

On Job Katif’s website: www.jobkatif.org, there is a link to ‘Stories of Resilience’, which captures the stories of 33 individuals who have managed to rebuild themselves professionally and to regain self-sufficiency. It has been a long, arduous process, but JobKatif has been by their side for the past five years, helping them rebuild their lives, which were nearly destroyed from the Disengagement.

We can all assist JobKatif in continuing its successful work. For every $100 contributed, JobKatif will receive a total of $400. Contributions can be made to the Shomrei Israel Fund, earmarked JobKatif. All donations are greatly appreciated. Thank you for your consideration.
