BGE Reisterstown Road Electric Reliability Upgrade Project

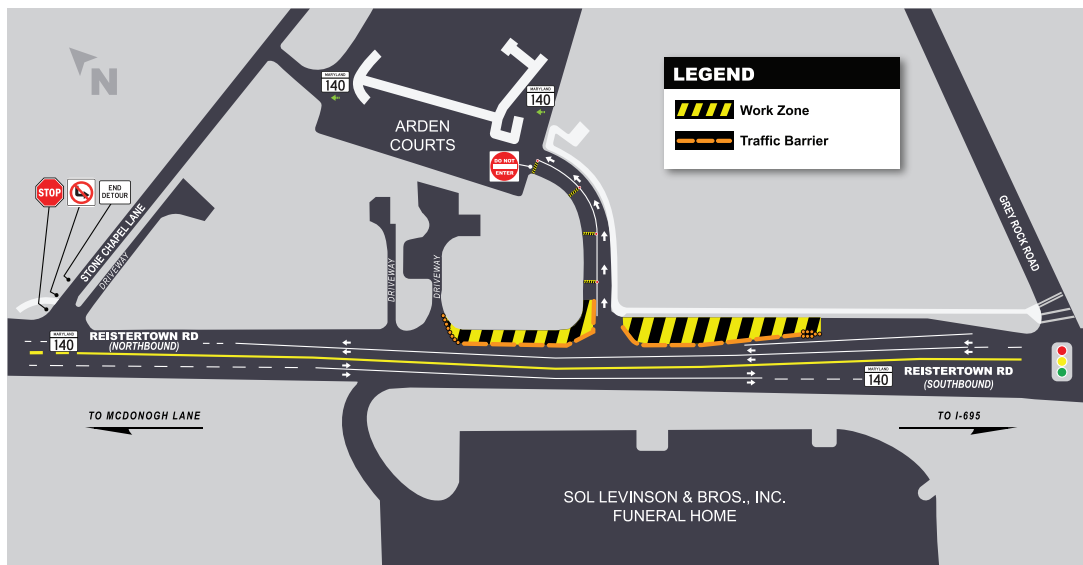

UPCOMING CONSTRUCTION IN PIKESVILLE

BGE is continuing a project beneath Reisterstown Road to ensure continued reliability of the electric delivery system.

PROJECT OVERVIEW

- Initial work will begin mid-September 2023 and is slated for completion in November 2023
- This operation is continuous, 24 hours per day/7, days a week
- No electricity service interruption is anticipated as a result of this work

Traffic Modifications During Construction

- Reisterstown Road (MD-140) will remain two lanes in both directions with a slight lane shift along the construction area and resume regular traffic patterns beyond the work zone.
- **Business access will remain open during this construction with the following changes:**
 - The Arden Courts Promedica Assisted Living facility's main entrance from MD-140 will be temporarily converted to an entrance only.
 - During construction, vehicles will exit Arden Courts via Stone Chapel Lane to access MD-140 in both directions.
- Southbound MD-140 left turn lane to Grey Rock Road will remain open.

Temporary MTA Bus Stop Relocations

- 92 Northbound bus stops will be temporarily relocated to a stop before the Grey Rock Road intersection across from the Woodholme Square Shopping Center.
- 92 Southbound bus stop 92 will be temporarily relocated to stop past the Mt. Wilson Lane intersection, in front of Panera Bread.
