NOTE: These maps display DRAFT zoning analysis based on the DRAFT text of the new zoning code. The analysis is based on area master plans, existing land uses, and other mapping principles. These maps are not intended to be the final zoning maps; they are intended to assist the Planning Department in getting feedback from residents, property owners and others for preparation of a final proposed zoning map to be presented to the City Council.

This series of maps is dated September, 2011.
NOTE: These maps display DRAFT zoning analysis based on the DRAFT text of the new zoning code. The analysis is based on area master plans, existing land uses, and other mapping principles. These maps are not intended to be the final zoning maps; they are intended to assist the Planning Department in getting feedback from residents, property owners and others for preparation of a final proposed zoning map to be presented to the City Council. Areas shown in grey have no proposed zoning change. This series of maps is dated September, 2011.
