ELTA North America  
8955 Henkels Lane (NEW ADDRESS)  
Suite 508  
Annapolis Junction MD 20701

To whom it may concern,

By way of introduction, my name is Greg Gudger, Vice President of ELTA North America. I am writing this letter in support of Jedvice and its product – JedEye TM.

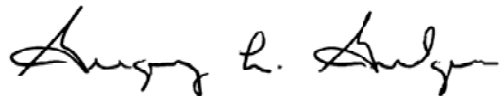

ELTA North America is a subsidiary of Israel Aerospace Industries Ltd. located in Annapolis Junction, Maryland, a world class leading C4ISR (Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance) company.

We are currently collaborating with Jedvice on marketing and deployment of their JedEye Mobile C2 (Command and Control) solution, including engaging in joint marketing efforts to the government and civilian sectors for the supply of advanced surveillance sensors such as radars and gunshot detectors.

We are committed to working with Jedvice and fully support the company's expansion into the U.S. civilian and government marketplace.
