Protein Bites- Due to the crushed Granola, some say Mezonos while others say Shehakol, so either Al Hamichya or Borei Nefashos is said afterwards.

**All smoothies are Shehakol/Borei Nefashos ** All oatmeal bowls are Mezonos/Al Hamichya

**All other bowls are Borei Nefashos

Notes- 1. All seasonings (e.g. coconut flakes, Nutella, seeds, etc.) DO NOT require a bracha when eaten together with the main contents of the bowl 2. If one substitutes fruit toppings and chooses to have blueberries, the bracha of Haetz must be made on the blueberries since they are whole.
