It was the practice of my grandfather and father ל"צ to share the names of the candidates for whom they intended to vote. These are my personal choices and do not represent any institutional endorsement.

It is of utmost importance that every eligible voter vote in our districts, in Baltimore County and Baltimore City. Voter turnout matters. The number of people who vote are analyzed with great scrutiny.

In the general election, I intend to vote for:

U.S. Senator: Larry Hogan. *Governor Hogan has been a friend of our community since becoming Governor, championing issues that directly and indirectly affect our institutions we hold so dear. Governor Hogan is a strong voice on security matters for the State of Israel and the Jewish community domestically.*

Representative in Congress District 2; Jon "Johnny O" Olszewski Jr.

I will vote Yes for all Judges.

Question 1. Declaration of Rights-Right to Reproductive Freedom

Against the Constitutional Amendment. *Our position is clear on this. We are against abortion as a fundamental principle. As there are rare cases that a proper Halachic authority might authorize an abortion, we seek no government involvement on this issue.*

Question A: Increase County Council to 9 members: **Yes**

If I was a Baltimore City resident I would vote for.

Representative in Congress District 7 Kweisi Mfume

Mayor: Brandon Scott

Member of City Council District 5 Isaac "Yitzzy" Schleifer

I would vote Yes for all Judges.

Question E **For** the Charter Amendment Baltimore City Police Department

Question H **Against** the Charter Amendment Reducing the size of the City Council.
