

NEW ERUV EXPANSION ALONG GREEN SUMMIT ROAD

INCLUDES AREA SOUTH OF GREEN SUMMIT ROAD
BETWEEN GREENSPRING AVENUE & OLD PIMLICO ROAD

A new Eruv boundary has been constructed all along Green Summit Road between Greenspring Avenue and Old Pimlico Road (see map) – the entire area south of Green Summit Road is now included within the Baltimore Eruv (including Summit Park Elementary School and the grounds surrounding the school).

Very important note: *Only the sidewalk on the south-side of Green Summit Road is included within the Eruv – not the north-side sidewalk!*

It is now possible to walk on Shabbos from Greenspring Avenue all the way across Green Summit Road to Moses Montifiore Anshe Emet Synagogue. And, all the homes now included within the new Eruv boundary can be accessed from the **south-side sidewalk** of Green Summit Road.
