**Yeshivas  
Gevuras Ari**

אגודת ישראל דבאלטימאר

To the Baltimore Jewish Community:

Starting after Chanuka, Rabbi Moshe Yaakov Edelman will be leading a new yeshiva, Gevuras Ari, for non-working men of all ages. Rabbi Edelman is a talmid of Ner Yisroel and has been marbitz Torah extensively overseas since 1999. He has been running a mini-yeshiva for businessmen every morning at Mercaz Torah U'Tefilla since his return to Baltimore in 2020. He is now offering the community an expanded all-day program, including hot meals.

I encourage all men who have free time to attend all or part of this yeshiva. If you are learning privately or with a chavrusa, consider joining Yeshvas Gevuras Ari at Mercaz Torah U'Tefilla, as the mitzva of Limmud Torah is greatly enhanced when it is done be'chabura.

Wishing Rabbi Edelman and the Gevuras Ari Yeshiva much hatzlacha and bracha,
