

SHORT Q & A WITH THE DIRECTORS OF CAMP CHAVERIM, RABBIS BEREN & BALDINGER

Q: I've heard of Camp Chaverim. Where exactly is it and what are the dates?

A: Camp Chaverim is an overnight camp for boys, located just 2 hours away from Baltimore, in Fannettsburg, PA. This will be our 5th summer of jam-packed fun at Camp Chaverim. Camp this year will run from July 20-August 13.

Q: I've heard your safety plan is the "gold standard" for camps. Tell me more about it!

A: B"H, with the help of our medical professionals, we have developed a quarantine for our campers, that will have oversight by the camp administrators. This will allow boys to enter camp in a safe environment. Our quarantine rules are available upon request.

Q: Now, I recognize this camp! It's the most amazing camp ever, in the history of the universe!!!!

A: I thought you would remember! Gladiator dream teams, laser mirror escape rooms, unbelievable leagues, incredible fishing and boating, archery, and of course the highest standard of middos bein adam l'chaveiro!

Q: What does limited spots mean? How do I apply?

A: We are approximately 90% full. We expect to be full by the end of this week. You can apply by going to chaverimovernight.com and filling out an application online.
