Dear Parents:

We hope you enjoyed a productive and rejuvenating summer and that your precious children, our dear talmidim, are recharged and ready for a wonderful school year.

B'Chasdei Hashem, our Cheder continues to grow and thrive. As you know, we start this school year with the addition of a fourth Second Grade, and we welcome Rabbi Rabbi Avrohom Yeshaya Morgan to our Cheder family. With eight classes now in Grades 1 and 2, we welcome Rabbi Doniel Hexter to our Hanhala as S'gan Menahel for those grades, and welcome Rabbi Shmuel Leib Shapiro as our newest Fourth Grade rebbe.

In addition to expansion of our educational personnel, this growth has required us to take a long, hard look at our infrastructure and Executive Department so that we will be in a position to provide proper facilities and administrative support for our children's chinuch as the Cheder grows. Plans are currently being developed for expansion of our building and growth of our campus over the next decade. Of course, this all requires capital, and we will BEZ" H be embarking on a capital campaign in the near future, as well.

With the Cheder's growth and planned expansion, the Executive Board, with the guidance of our Rabbonim, has determined that a new position, Chief Executive Officer, is needed to oversee our growing administration and all non-chinuch aspects of our Cheder. We are very excited to announce that Rabbi Raphael Schochet has joined our Cheder as CEO to fill that role.

Rabbi Shochet is no stranger to many of us; in fact, prior to moving to Providence, Rhode Island, the Shochets were proud members of our parent body. Reb Raphael has been the Rosh Kollel of the Providence Community Kollel for the past eighteen years, and in that capacity, in addition to being a marbitz Torah, has been a major bridge builder and consensus enhancer for the purpose of strengthening and growing the Providence Torah community. We are confident that these skills as well as his willingness to tackle big projects and fundraising experience will be of great benefit to our Cheder. We look forward to Rabbi Shochet meeting all of you, and are mispalel that he will have tremendous Siyata d'Shmaya in leading our Executive Department in the coming years.

We are very excited to welcome these new additions to our Cheder and look forward to continuing to communicate with you further positive developments.

Sincerely,

Rabbi Nossan Nusbaum

Rabbi Tzvi Berkowitz
