President

The Vaad HaRabbonim joins together with the entire Jewish and general community of Baltimore in expressing deep sympathy for the family of Ephraim Gordon Hy”d, who was the recent victim of a heinous crime.

Ephraim was visiting our community from Eretz Yisroel and was the target of a senseless attack that leaves his immediate family, extended family, and Klal Yisroel in mourning for this precious soul.

We support our local law enforcement professionals in their efforts to find and bring the perpetrators to justice and to help us keep our neighborhoods safe for all residents and visitors alike.
